HIGH EDUCATIONAL QUALITY

Why choose us

UNADE holds the **Institutional Accreditation for High Educational Quality**, a distinction that endorses and validates our **academic excellence** and the fulfillment of rigorous educational standards.

This seal is the result of a **sustained commitment to improvement**, program updates and the student experience. This recognition facilitates the transfer of credits between accredited institutions and the **international recognition of degrees**.

100% online methodology supported by an interactive platform available 24/7

Exceptional scheduling flexibility. Study anywhere, anytime

Over 300 professors and 60 PhD holders offering close, personalized guidance

Opportunity to attend International Seminars in Cancun, Madrid and Murcia-Granada.

PROGRAM

Benefits of the Doctorate in Law

Personalized academic supervision with continuous individualized guidance and quality assessment processes.

Official RVOE recognition under Agreement No. 202276DD granted by the Secretariat of Education of Quintana Roo (SEQ).

Fully online delivery through an exclusive and interactive digital platform.

Opportunity to attend International Seminars in Cancun, Madrid and Murcia-Granada.

Exceptional scheduling flexibility Students take ownership of their learning process and organize studies to their individual needs.

Faculty of internationally recognized distinction with extensive professional and academic experience.

Introductory Course in Research and Competency Development featuring practical case studies and applied simulations.

PROGRAM GOALS

Objectives of the Doctorate

- Apply theoretical knowledge to the analysis and critical evaluation of legal issues and challenges
- Master quantitative and qualitative research tools and methods
- Develop a deep understanding of organizations and legal science
- Maintain an ethical perspective and a comprehensive global, national, and international outlook across all academic activities

ADMISSIONS

Admissions Profile

Admission requirements to begin this program at UNADE:

Applicants who hold an official Master's degree or equivalent and seek to specialize in Law and/or Legal Sciences to contribute to scientific research.

Applicants who aspire to pursue academic careers in teaching across any area or specialization of Law.

Candidates who wish to engage in advanced, high-level research within a specific legal discipline, contributing to the advancement of knowledge in their field.

FINANCING

Scholarships & Financing

UNADE offers a University Scholarship Program designed to support students pursuing Master's and Doctoral degrees, promoting equal opportunity and facilitating access to higher education.

Scholarships are partial awards and cover a significant portion of tuition costs, applicable to master's, doctoral, and bachelor's programs.

Students may also be eligible for **interest-free monthly payment plans** offered by UNADE.
